POS & AIDC
Distributor

Solution

2008

www.ms cashdrawer.com

Welcome to the M-S Cash Drawer Product Catalog. M-S Cash Drawer is fully committed to becoming the supplier for all of your POS needs and AIDC products. We are the manufacturer of one of the oldest and most reputable brands of cash drawers in the market today and also carry everything needed for your POS system and AIDC needs. We are the authorized distributor of premier brands such as ELO, Protech and Pioneer POS, Partner Tech, Samsung Bixolon, Star Micronics, Cognitive Solutions, Firebox, ID Innovations, ID Tech, Ingenico, Hand Held Products and other POS peripherals.

We always strive for competitive prices and personalized quality service no matter the size of the customer. We are committed to providing you the support you deserve when you purchase from M-S Cash Drawer. Our technical support is available at no charge, and we work hard to ensure that your experience with us is always positive.

When you order from us you are getting more than high quality POS or AIDC hardware. Our mission is to make a significant, positive difference in your business.

We look forward to providing you with the products you need and the continuing support you deserve.

Sincerely,

Paul R. Masson

CASH DRAWER

WHEREVER YOU ARE, M-S CASH DRAWER DELIVERS
A World of POS & AIDC Solutions.

We've expanded to meet all your POS & AIDC needs with maximum efficiency.

M-S Cash Drawer is now strategically located throughout the world to provide the finest service in the POS & AIDC peripherals industry, with over 100,000 square feet between all of our offices worldwide

These locations are full-service facilities, each with substantial inventories and on-site POS & AIDC professionals who provide the expert assistance you need to make the most informed POS & AIDC choices, as well as providing in-warranty and out-of-warranty repairs - quickly and efficiently. All nearby when you need it.

Fast, low-cost shipping and complete service nearby.

Since M-S Cash Drawer has over 100,000 square feet of warehouse space strategically located throughout the world, we have been able to make your shipping time faster and more cost-effective.

Call the M-S Cash Drawer location nearest you, and see how we can make a world of difference for your business.

www.mscashdrawer.com

How do we build M-S Cash Drawers to open and close over 6 million times?

(We sweat the small stuff)

Something as tiny as this single spring can make the crucial difference in reliability. Every one of the 90 parts in a typical M-S Cash Drawer is engineered as if our life depended on it. Built to last in Japan since 1945.
